REFLECTIONS

80 in years but only 40 in Action! A big salute to you ladies of the 80's---Seek---Reach---Teach!

Now I've taken pen in hand to write you a line Dedicated especially to you ladies so fine.

You found the time to teach and reach each of us that follow your steps. You took one end of the rope and I the other as you taught us there's always hope in the goal to reach as easy as skipping a rope you'd say! God has granted you strength and faith as we traveled the road together and through your grace you taught us to laugh and to smile with love never giving up or complaining just always going the extra mile explaining----It's really easy you'll see!

In early years you traveled the roads in your Model T Ford, laughing merrily and with glee all the way. To club meetings you would go with perfect attendance always to show. Now in later years you travel in a big sleek line and with style but the years has not changed because you are still all aglow with a sparkle in your eyes, grace in your steps and a glowing smile.

We've climbed the mountains together you and I and sometimes we'd stumble, but together we still climbed --higher and higher to our goals using the rocks as a stepping-stone. Onward and onward we'd go. No stopping us from work. We'd never shun but was always ready to advance with the rising sun.

Today your inspiration still reigns in our hearts, as you taught us love, patience and fun right from the start. You give of yourself, your talents without any expectation of recognition. You've been super without a doubt to many a young member just starting out. You've taken our hand and graciously led us on into projects, lessons and crafts without a demand. It's a pleasure to work with ladies never tiring of lending a hand but in doing as well.

You've been especially super and nice. Because today your inspiration still reigns in our hearts, loving you all the while and we sure are happy you're still alive!

Reflections to the world in what you have done and all have copied your style both old and young. You did it with grace and given so much fun. As your job you did, we applaud you as well done. Reflection is like a beautiful rose, laden with due when I think of you!

May God bless you is my prayer and we're looking forward to more years ahead in which to share all the nice things you've done but in doing it all you've been especially nice!

*Let me be encouraged today, as
we embark on a new beginning.*
